

Reformation
& Revival

A Quarterly Journal for Church Leadership

Volume 4, Number 3 • Summer 1995

Bibliography

Burns, James. *Revivals: Their Laws and Leaders*. Grand Rapids, Michigan: Baker, 1960. A useful volume written by a nineteenth-century Scot leader. This volume has much helpful material for the modern reader. Out of print presently.

*Bushman, Richard L. (Editor). *The Great Awakening: Documents on the Revival of religion, 1740-45*. New York: Atheneum, 1970. A major resource for those who would seriously consider important documents from the Great Awakening period itself.

Crawford, Michael J. *Seasons of Grace: Colonial New England's Revival Tradition in Its British Context*. New York: Oxford University Press, 1991. Part of the *Religion in America* series edited by Harry Stout of Yale University. Academic and of real value only to scholars of the period.

*Dallimore, Arnold. *George Whitefield: The Life and Times of the Great Evangelist of the Eighteenth-Century Revival* (Two Volumes). Edinburgh, Scotland: Banner of Truth, 1970, 1979. Far and away the most important biographical account of the great preacher and the Great Awakening. All church leaders should be urged to read these two large books. I make it a pattern to read these volumes every few years!

Edwards, Brian. *Revival! A People Saturated with God*. Darlington, Co. Durham, England: Evangelical Press, 1990. A wonderfully helpful contemporary book that addresses the issues of awakening theologically and practically.

*Edwards, Jonathan. *Religious Affections* (Edited by John Smith). New Haven, Connecticut: Yale University Press, 1959. The annotated and full edition in the Yale series which is, quite simply, the most important written work to come out of the

Great Awakening. One that should still be consulted carefully and used wisely today.

*Edwards, Jonathan. *The Great Awakening* (Edited by C. C. Goen). New Haven, Connecticut: Yale University Press, 1972. Volume Four in the Yale series which includes *A Faith Narrative, The Distinguishing Marks, Some Thoughts Concerning the Revival, Letters Relating to the Revival* and *Preface to True Religion* by Joseph Bellamy. These are the core of works the great theologian produced in defense of the Great Awakening during the times of God's great visitation. If you wish to get the essence of some of this material in a shorter and less expensive format get the Banner of Truth edition, *Edwards on Revival*.

Ellsworth, Roger. *Come Down, Lord!* Edinburgh, Scotland: Banner of Truth, 1988. A succinct and simple treatment of the theme of revival by a pastor with a writing gift.

*Fish, Henry C. *Handbook of Revivals: For the Use of Winners of Souls*. Harrisonburg, Virginia: Gano Books, 1988 reprint. This might sound like a title written by an advocate of technique and Finney-style revivalism, but it is quite the opposite. An extremely useful reprint from the last century.

*Gaustad, Edwin Scott. *The Great Awakening in New England*. Gloucester, Massachusetts: Peter Smith, 1965. Another reprinted volume that is immensely important. Gaustad is a major historian of our time and has given us one of the most important studies of the Great Awakening. Brief and to the point.

Gewehr, Wesley M. *The Great Awakening in Virginia, 1740-1790*. Gloucester, Massachusetts: Peter Smith, 1965. Originally published by Duke University Press in 1935, this is still a

significant historical contribution to the revivals in Virginia.

*Gillies, John. *Historical Collections of Accounts of Revival*. Edinburgh, Scotland: Banner of Truth, 1981 reprint. Gillies provides a treasure of important material for the student of the Great Awakening or of other historical epochs of revival mercies. The small print is not inviting but the material begs to be read by those who are serious about this subject.

Hardman, Keith J. *The Spiritual Awakeners: American Revivalists from Solomon Stoddard to D. L. Moody*. Chicago: Moody Press, 1983. A simple overview of major figures popularly written. Now out of print.

Heimert, Alan and Miller, Perry (Editors). *The Great Awakening*. New York: The Bobbs-Merrill Company, 1967. Neither editor was a friend of New Testament faith but both made a significant contribution to the republication of valuable original material. This volume is one such contribution. Must be procured from a used book dealer or library.

*Hulse, Erroll. *Give Him No Rest: A Call to Prayer for Revival*. Darlington, Co. Durham, England: Evangelical Press, 1991. This is an important contemporary book for those who would be engaged in biblically informed intercession for true revival mercies. A corrective to much of the improperly based "concerts of prayer" for revival emphasis in modern America.

Lloyd-Jones, D. Martyn. *Revival*. Wheaton, Illinois: Crossway Books, 1987. Taken from a sermon series preached in 1959 in commemoration of the 1859 Welsh Awakening. Helpful.

Macfarlan, D. *The Revivals of the Eighteenth Century, Particularly at Cambuslang*. With Three Sermons by the Rev. George Whitefield. Wheaton, Illinois: Richard Owen Roberts Publish-

ers, 1980. This collection is primarily of the awakening which advanced in Great Britain during the time of the Great Awakening in the American Colonies. A valuable reprint.

Maxson, Charles Hartshorn. *The Great Awakening in the Middle Colonies*. Gloucester, Massachusetts: Peter Smith, 1958. Maxson was Professor of Political Science at the University of Pennsylvania; he originally published this helpful historical treatment in 1920.

*Murray, Iain H. *Revival & Revivalism: The Making and Marring of American Evangelicalism, 1750-1858*. Though a study of the period which followed the Great Awakening, it provides the transitional material needed to understand what happened before and after the Second Great Awakening. Should be read by scholars, pastors and lay leaders of all backgrounds. Perhaps the most important contribution in decades!

Murray, Iain H. *Jonathan Edwards: A New Biography*. Edinburgh, Scotland: Banner of Truth, 1987. A reassessment of the life of the foremost theologian and pastor during America's Great Awakening. Important and profitable to all readers.

Porter, Dr. Ebenezer. *Letters on Revival*. Brooklyn, New York: Linde Publications, 1992 reprint. Though a study of the period following the Great Awakening era, this is very fine material to cheer the soul and encourage prayer.

Reid, William. *Authentic Records of Revival*. Wheaton, Illinois: Richard Owen Roberts Publishers, 1980 reprint. Accounts actually written during the awakening in Great Britain.

*Roberts, Richard Owen. *Revival!* Wheaton, Illinois: Richard Owen Roberts Publishers, 1991. This is the best single volume introduction to the theme of revival that can be used to stir up

prayerful interest in this subject in the church.

Roberts, Richard Owen (Editor). *Sanctify the Congregation: A Call to the Solemn Assembly and to Corporate Repentance*. Wheaton, Illinois: International Awakening Press, 1994. See the review in this issue. A helpful collection.

Roberts, Richard Owen (Editor). *Salvation in Full Color: Twenty Sermons By Great Awakening Preachers*. Wheaton, Illinois: International Awakening Press, 1994. Valuable sermons by Tennent, Dwight, Hopkins, Witherspoon, Bellamy, Stoddard, Davies, Blair, Sewall, Dickinson, etc.

Roberts, Richard Owen. *Revival Literature: An Annotated Bibliography with Biographical and Historical Notices*. Wheaton, Illinois: Richard Owen Roberts Publishers, 1987. For anyone who would study this subject in depth this is the tool you will need. It guides you to what books you will need and where you might find them for research purposes.

*Sprague, William B. *Lectures on Revivals of Religion*. Edinburgh, Scotland: Banner of Truth, 1959. As an introduction to the subject of awakening in general, the very best book on the subject. In the appendix the author gives written responses to questions regarding revival that were posed to leaders in his generation. Extremely useful.

*Tracy, Joseph. *The Great Awakening: A History of the Revival of Religion in the Time of Edwards & Whitefield*. Edinburgh, Scotland: Banner of Truth, 1976 reprint. Originally published in 1842. This volume, now out of print, is extremely important. It is hoped the publisher will reprint it soon. It is often debated, sometimes criticized, but always an important study for the period.

Bibliography

Weisberger, Barnard. *They Gathered At the River: The Story of the Great Revivalists and Their Impact Upon Religion in America*. Boston: Little, Brown and Company, 1958. More specifically a study of the revivalists of the era that followed 1800, especially from Finney on. Important historical work.
