The path of piety avoids ritualism and rationalism.

RICHARD GLOVER

Piety is God sensible to the heart.

BLAISE PASCAL

Pietists tended to sit loosely to their confessional traditions, to emphasize the common experience of Christ that bound all Christians together, and to possess a strong missionary fervor. It was this spirit that Zinzendorf imbibed, and it led him to welcome to his estates any refugees among whom he espied the signs of true piety.

WINTHROP S. HUDSON

Practice is the very life of piety.
